ORDER No. FD 1 SCR 59, DATED BANGALORE, THE 26TH MAY 1959.

According to the Government order dated 6th January 1959 quoted the Heads of the Institutions (except the Superintendents of Technic Schools) under the Joint Director of Technical Education have been auth draw funds on A. C. Bills for payment of contingent charges (including sup services) and to render N. D. C. bills once every month duly countersign Joint Director. The Joint Director has now stated that this system of funds on A. C. Bills is not working satisfactorily with the result that the Bills are accumulating in the Controlling Office on account of several p irregularities. Consequently, there is an undue increase in the correspon round. He therefore has suggested that the drawing of funds on A. C. Bi be restricted to the cases of extreme urgency and that in other cases, fun be drawn only on countersigned D. C. Bills. In view of what is stated by Director of Technical Education, Government is pleased to direct that th mentioned in para III (2) (regarding Contingent Bills) of Governm No. FD. 1 SCR 59, dated 6th January 1959 should draw funds required for payment of contingent charges (including supplies and services) o contingent bills duly countersigned by the Joint Director of Technical E before encashment. Government is further pleased to direct that i extreme urgency, however, funds may be drawn on A. C. Bills (the fa immediately reported to the Joint Director) and the Officers concern render N.D.C. Bills promptly every month before the due date to the Jo tor of Technical Education.
